

## IDEAS

• Time based

line graph

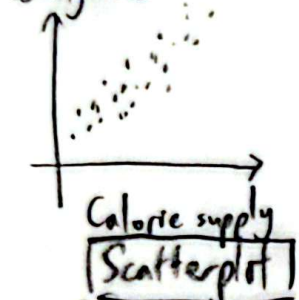

multi line chart

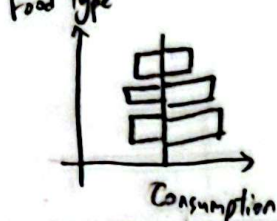

stacked bar chart

• Relationship

Scatterplot

• Comparison

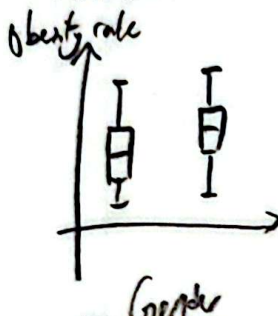

diverging bar chart

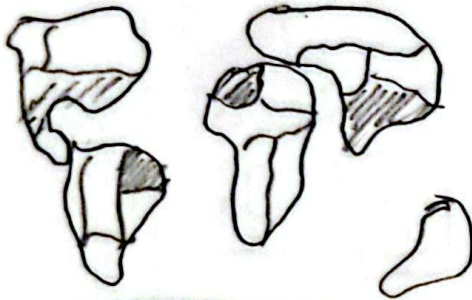

Grouped bar chart

• Distribution

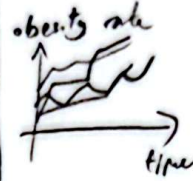

Box plot

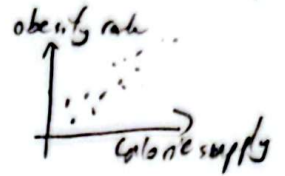

Choropleth map

## FILTER

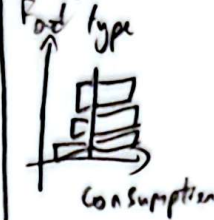

• Time based

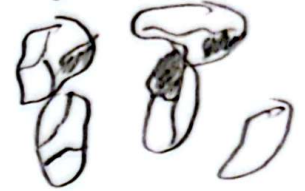

• Relationship

• Comparison

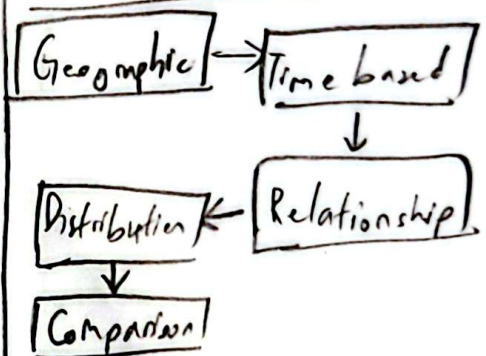

• Geographic

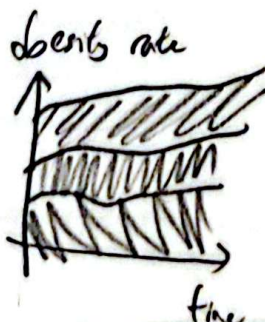

• Distribution

## CATEGORISE

## COMBINE AND REFINE

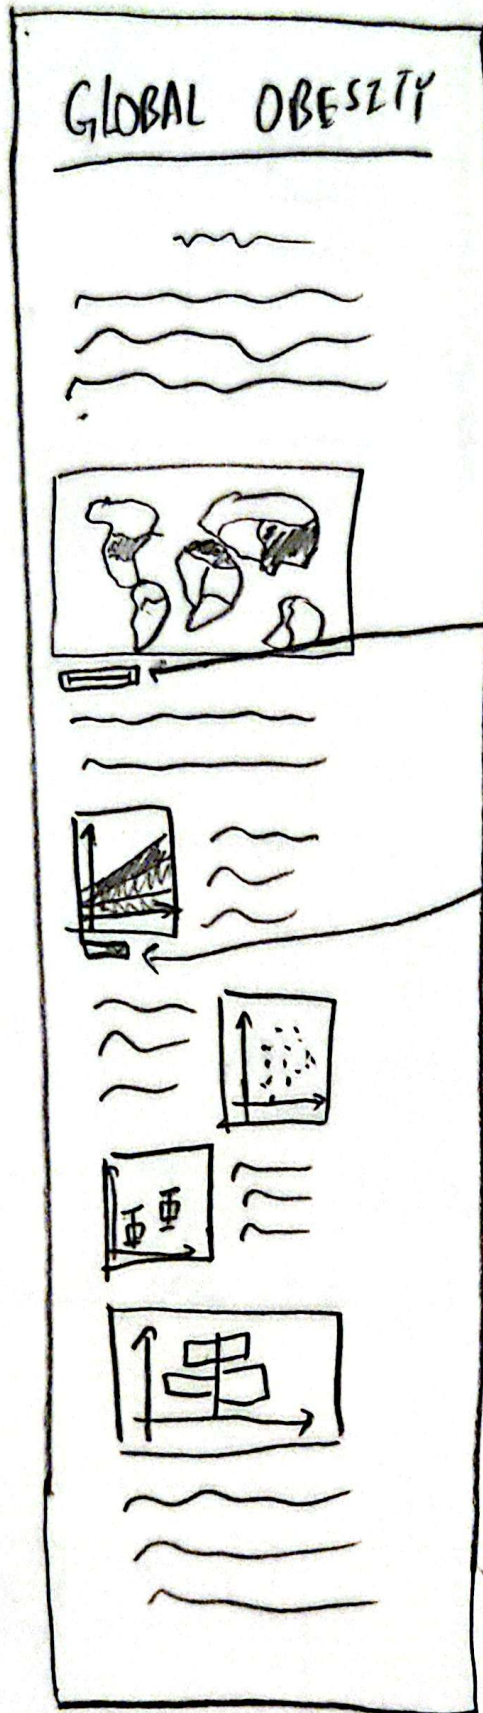

stacked area chart

NAME: Maximilian Djanhu  
SHEET: 1

## COMMENTS

The stacked area chart is effective for showing the obesity rate over the years.

# LAYOUT

NAME: Maximilian D'Agos  
DATE: 10/21/2025  
TITLE: Scrollable poster  
SHEET: 2

## OPERATION

Slider

Dropdown Menu

## FOCUS

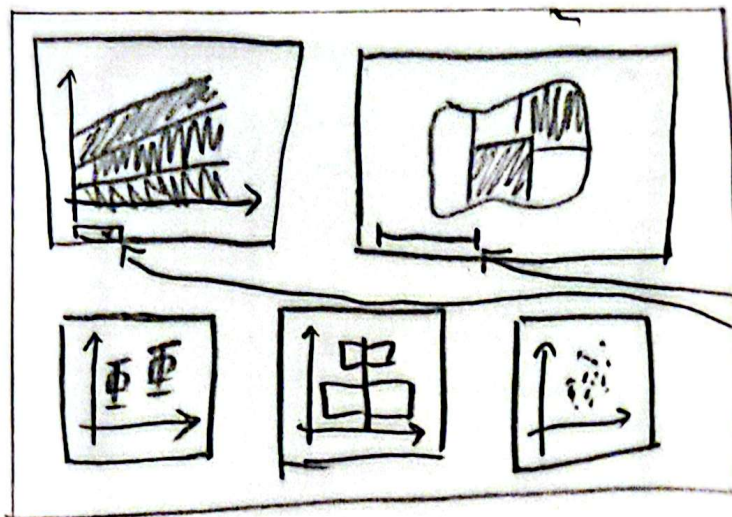

The focus is on the graphs spread out on the poster with the text supporting with the storytelling

## DISCUSSION

Good way of showing the storytelling aspect while still including the graphs as supporting evidence

# LAYOUT

NAME: Maximilian Djohan

DATE: 10/21/2025

TITLE: Dashboard view

SHEET: 3

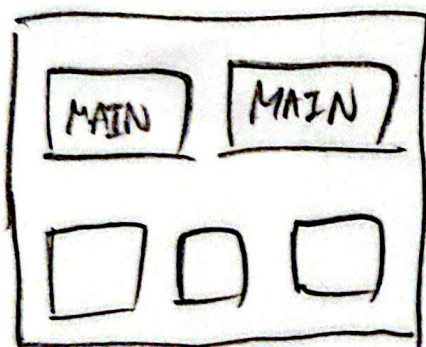

## OPERATION

Slider for year

Drop down menu

## Focus

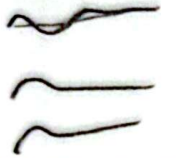

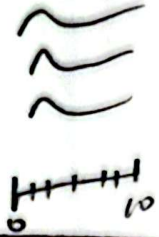

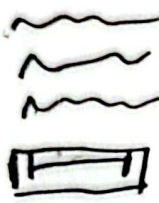

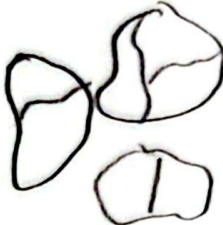

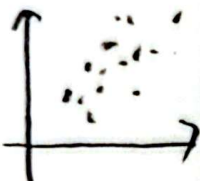

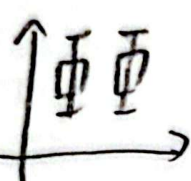

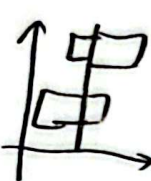

- The focus is on the top 2 charts, the stacked area chart and the donut chart.

## DISCUSSION

Good way to display all the information of graphs at the same time but does not have any storytelling aspect to it.

# LAYOUT

GLOBAL OVERVIEW 		
		
		

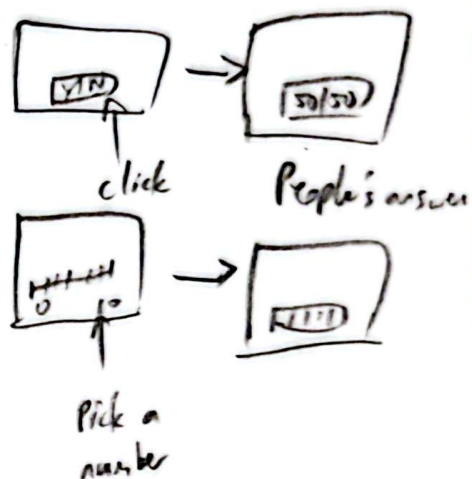

NAME: Maximilian Djojan

DATE: 10/21/2025

TITLE: Full narrative view

SHEET: 4

## OPERATION

## DISCUSSION

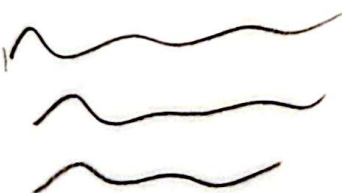

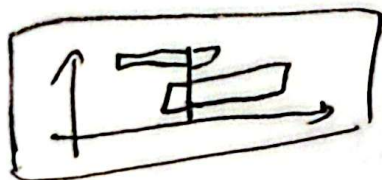

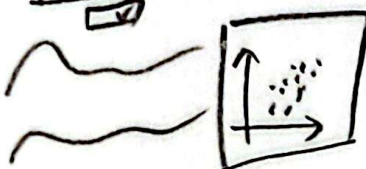

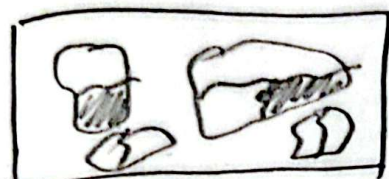

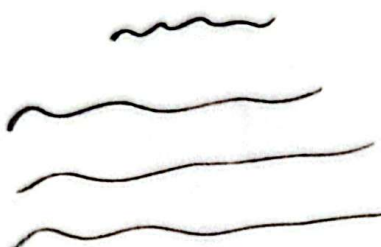

Good way to show story telling but there is too much information and is also good viewer interaction

## FOCUS

It focuses on interacting with the users and giving them feedback on the most popular answers while showing them all the different kinds of visualisation

# LAYOUT

## GLOBAL OBESITY

NAME: Maximilian D'John

DATE: 10/24/2025

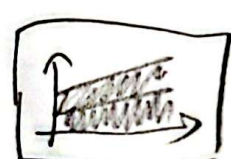

TITLE: Scrollable poster

SHEET: 5

## OPERATION

↑ slider for year

↓ dropdown menu

## FOCUS

The focus is on the story telling including the supporting graphs

## DISCUSSION

I like the storytelling aspect
